Notice of Postponement of Inaugural Date for Operations

Global Ghana Airline's inaugural date to begin operations has been postponed until February 5, 2018 due to the following reasons:

1. To provide additional time to communicate with regulatory authorities and secure requisite documentation; and
2. Winter weather concerns, as winter operations can be challenging for start-up carriers.

Please also be advised, all inaugural participants who have already purchased airfare will be transferred to our charter partners for completion of those transactions.

We thank you for your support. We are working hard to be your premier airline and we look forward to flying with you.
